4. (Unclassified - JEC) LEGISLATION Met with Sarah Luna, on the staff of Representative Romano Mazzoli (D., Ky.), to discuss financial disclosure legislation. She said she had not yet had the time to sit down with the Congressman and go over the arguments we made to her last week. She also said that she was not sure when, if ever, the bill would get to the floor.

5. (Unclassified - JEC) LEGISLATION Together with [] [] OGC, attended the House Permanent Select Committee on Intelligence mark-up of H.R. 7308, electronic surveillance legislation. (See Memorandum for the Record.)

6. (Unclassified - MDC) LIAISON Called Alice Sledge, of the House Armed Services Committee staff, and informed her that her clearances had been approved and that she is in need of a briefing. A briefing was set up for 19 April, at 11:00 a.m., on the Hill.

7. (Unclassified - ME) FOIA/LIAISON Returned a call to Ms. Liz McAlhany, in the office of Senator John C. Danforth (R., Mo.), concerning a request on behalf of a constituent who wants to file a request under the FOIA. After passing the name and address, I suggested to Ms. McAlhany that she also ask the constituent to attach a letter to his request attesting to his identity before a notary public, as this would be treated as a Privacy Act request. I mentioned that the Agency is currently under a backlog of over 2,800 Privacy Act and FOIA requests and there would probably be some delay involved.

8. (Unclassified - GMC) LIAISON Called Kenneth DeGraffenreid, on the staff of the Morgan-Schmitt Senate Select Committee on Ethics Subcommittee, to arrange SI briefings for two employees of a stenographic reporting firm hired by the Subcommittee.

X1 9. [REDACTED] LIAISON Called Don Sanders, Special Counsel, Morgan-Schmitt Senate Select Committee on Ethics Subcommittee. I told Sanders that we were having difficulty coordinating the changes he had requested in the draft Memorandum of Understanding between the DCI and the Subcommittee relating to Agency review of notes derived from CIA material. Sanders said that the request that the Subcommittee's notes not be reviewed had come from Senators Robert B. Morgan (D., N. Car.) and Harrison H. Schmitt (R., N. Mex.), and that he could not on his own retreat from the position the Subcommittee had taken. Sanders and I agreed that he would delay raising the matter with Senators Morgan and Schmitt until further efforts could be made to coordinate the requested changes. 25X

11. [REDACTED] LIAISON Received a call from Diane LaVoy, House Permanent Select Committee on Intelligence staff, in which she requested minutes of the Watch Committee meetings on October 4 and 6 of 1973. She said that Dick Lehman, Deputy Director, NFAC, urged her to read these minutes since he believed they would help her to get a better grip on some post-mortem reports she has been reading. Have passed this request on to [REDACTED] NFAC/CSS.
